

What will you donate to the Shelter Auction?

We need your help to fill our legendary Shelter Auction with incredible offerings that showcase your beloved hometowns, fun-loving personalities, and great taste!

[Please complete this Google Form](#) by September 1st to tell us about the item you plan to donate. We ask that you be as specific as possible so we can ensure its description on our mobile bidding platform is both accurate and compelling. All item photos should be sent to Carly at carlyneill@royallepage.ca. If you're not quite sure what to donate and would like to brainstorm ideas, please reach out to carlyneill@royallepage.ca.

A few things to keep in mind:

- The Royal LePage Shelter Foundation will determine which items are suitable for the live auction after reviewing all submissions.
- 100% of Royal LePage conference related fundraising supports national domestic violence prevention. The Shelter Foundation cannot disperse funds raised by an auction item to the local women's shelter of either the donor or winning bidder.
- Where possible, items should be small and easy to pack for travel home. Otherwise, consider covering the cost of shipping the item to the winning bidder.
- Items at a variety of price-points are welcome but ideally not less than \$50 in value.
- While we're happy to include items that feature your personal real estate brands, these items should accompany at least one other item as part of a package.
- **NEW THIS YEAR!** Auction donors and bidders may be entitled to a tax receipt. Details can be found [here](#).
